## **HEALTH GUARANTEE**

New owners must have the puppy examined by a licensed veterinarian within 48 hours of possession, or Health Guarantee is null and void. Your puppy will come current on shots and a copy of veterinary records. Buyers must also ensure that the puppy will continue to receive the appropriate vaccinations, such as, but not limited to; distemper, parvo and be maintained on a deworming program. Puppies come with a one-year health guarantee against eye and/or hip defects not caused by injury. Should a defect be suspected the puppy/dog must be examined by a licensed veterinary at the buyer's expense. If an eye and/or hip defect is diagnosed, a written document, by the licensed veterinarian, must be submitted to VR Poodles within 7 days. In such a case, after review of our veterinary of choice, a replacement puppy of similar value will be provided in exchange for your current puppy/dog. Any shipping expenses of defected puppy/dog and/or replacement puppy/dog are the responsibility of the buyer.

## **PUPPY CHARACTERISTICS**

We cannot guarantee the size and disposition of the puppy. We will do our best to estimate maturity size from previous experiences and the size of parents.

VR Poodles reserves the right to refuse the sale of our puppies to anyone.
